Re: Approval of Applications for Drilling Permits
Felker No. 1 Well and SL 7729 No. 3 Well
Lockhart Crossing Field
Livingston Parish, Louisiana

Dear Commissioner Welsh:

Pursuant to the provisions of La. R.S. 30:28 (D), application is hereby made on behalf of **DENBURY ONSHORE, L.L.C.** ("Denbury") for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order giving Denbury permission to drill its proposed Felker No. 1 Well and SL 7729 No. 3 Well in the Lockhart Crossing Field, Livingston Parish, Louisiana.

Good faith and diligent effort was made to identify and locate the owners of structures within a 500 foot radius of the proposed well locations for the purpose of obtaining "Letters of No Objection" to the drilling plans and permit requests, but Denbury was unable to acquire 100% of the needed signatures.

Attached hereto and made part hereof are (1) copies of survey plats depicting the structures and their relative locations to the proposed wells, (2) a list of owners of structures located within a 500 foot radius of the proposed surface locations, and (3) a

check in the amount of \$755.00 made payable to the Office of Conservation and representing the required hearing application fee.

A copy of this application, plats and list attached, is being sent to the District Manager of the Lafayette District of the Office of Conservation. A copy of this application and plats are also being sent to each interested owner of structures located within the 500 foot radius of the proposed locations and to the Livingston Parish Police Jury.

Finally, it is respectfully requested that this matter be scheduled for public hearing at the earliest possible date.

Very truly yours,

RANDALL C. SONGY
